

ACAP CIRCLE OF INFLUENCE INITIATIVE

The Circle of Influence Initiative is one of the efforts to help with fundraising for the DFW Accounting Career Awareness Program (ACAP). Our goal for 2017 is to sponsor 60 students. ACAP will take place the week of June 25-30, 2017 on the campus of Southern Methodist University (SMU).

The mission is to get 5 of your closest friends or those whom you have influence with to donate \$100.00 and then to ask them to do the same. The money is used to help defray the cost of ACAP operations.

The Donor will receive the following:

- 1) Their name posted on our ACAP website at www.dallasacap.com and our program booklet for banquet.
- 2) A ticket to our closing banquet if they choose to go – this requires the requestor to provide confirmation of their attendance and contact information to include mailing address.
- 3) A donation letter acknowledgement from ACAP indicating it qualified for 501(c)3 charitable donation.
