Odell's Career Journey

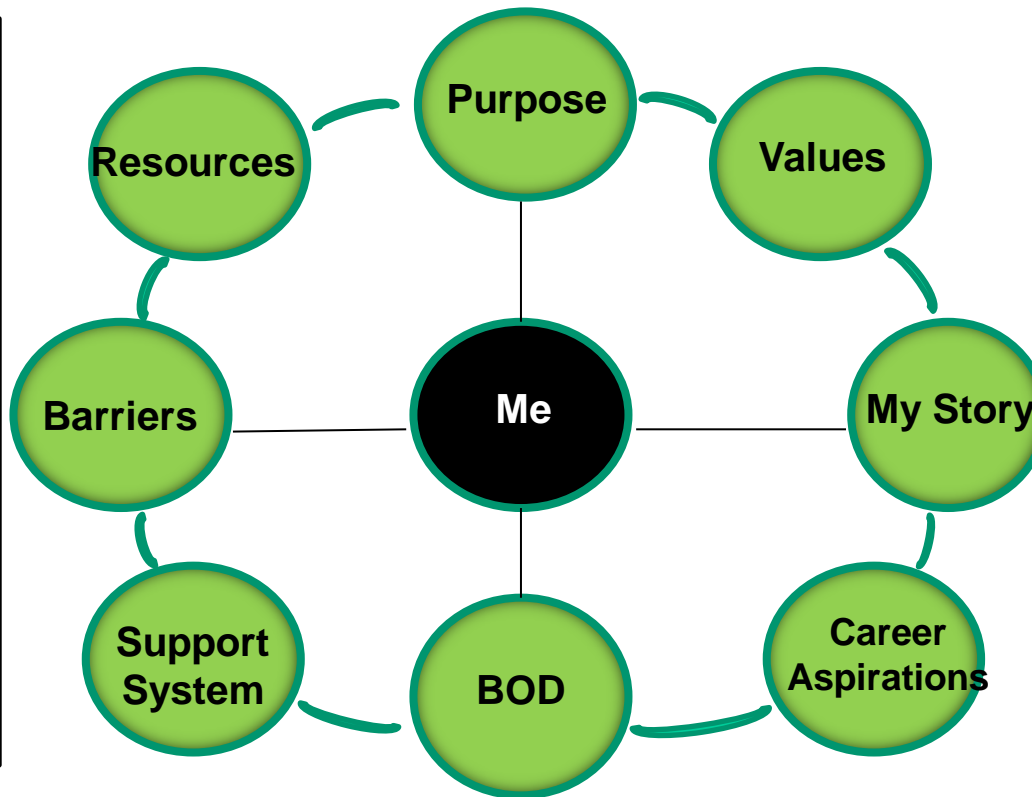

Some Life Philosophies

(Why fit in when I was born to stand out?)

Consider this:

- I will never discover who I was meant to be if I use another person to find myself.
- I will never know what I can do by using what someone has done to measure my ability.
- I will never know why I exist if I use someone else's existence to measure it.
- I cannot become what I am born to be by remaining who I am right now. I am full of potential.
- My potential is much greater than what I am right now.
- My life will lack purpose and focus until I discover my wings.

- **Purpose:** What gives you wings? What's your "why"?
- **Values:** What do you believe in?
- **My Story:** What motivates you? What gives you perspective?
- **Career Aspirations:** What do you want to be or do?
- **BOD:** Who's on your Board of Directors? Are you chair of your own board?
- **Support System:** Who's in your circle? Who supports you?
- **Barriers:** What/Who holds you back? What do you need to let go of; wounds?
- **Resources:** What's available to you? What books do you read?
