

# My Basic Profile: What Do I Want Out of Life?

**Instructions:** What do I want out of life? Write down my answers, notes, ideas, and thoughts below. Don't worry about what anyone else will think, only what is important to me.

**Environment:** What kind of environment do I thrive in? Where do I want to live? What type of neighborhood is important to me? Where is my ideal area to live in?

**Financial:** What kind of income do I need to support myself and my family? What financial goals do I have for my future?

# **My Basic Profile: What Do I Want Out of Life?**

**Financial:** What kind of income do I need to support myself and my family? What financial goals do I have for my future?

**Family/Social:** Is family important to me? How many vacations do I want to take with my family? Do I want flexibility to attend their events, etc.?

**Personal Development/Growth:** What do I want to focus on personally? What areas do I want to learn and grow in? How will I do so? Books? Events? Courses? Coaching?

**Physical Fitness/Health:** What type of fitness program do I want to have? What kind of exercise do I want to do? What do I want to look like? How much energy do I want to have?
